Baltic Yachts 67-02 Performance Cruiser LURIGNA from 2019 for sale

The **Baltic 67 semi-custom** is a fast, easy to handle cruising yacht benefitting from the highest quality **carbon fibre construction with only 24,9t light displacement**.

This Performance Bluewater Cruiser is designed to meet the demands of owners looking for a fast, easy to sail, good looking, long distance cruising yacht.

LURIGNA underwent a comprehensive **Full Service Program** 2025/2026 at Nautor Swan Global Service Badalona with all major services carried out:

- Rod rigging checked and replaced where needed
- Boom vang and outhaul serviced
- New Maxwell Windlass motor
- Maxwell mooring winch serviced
- Harken winches serviced
- B&G Autopilot serviced
- Air conditioning serviced and winterized
- Engine and generator serviced
- Diesel tanks cleaned
- New liferaft
- 2x Airless Spray layers International Trilux antifouling

LURIGNA is hull #2 of the succesfull Baltic 67 semi-custom series and was delivered in 2019 to her demanding owner who is a repeating Baltic Yachts client. He enjoyed the boat for performance orientated **family-cruising** as well as **corinthian-racing** with no need for permanent professional crew.

By using sandwich construction with carbon Epoxy Sprint to produce a strong, light structure the Baltic 67 Performance Cruiser will not only ensure comfortable cruising, but also sail fast in the light to moderate downwind conditions prevailing in typical ocean crossings. For anyone contemplating comfortable, speedy ocean sailing this yacht provides you with a genuine performance edge.

Those who wish take part in competitive events will find this yacht extremely effective without having to convert to race mode.

LURIGNA offers a safe and elegant deck layout with closed transom, housing a dinghy garage with folding swim platform. The helmsman cockpit offers two independent steering pedestals and long mainsheet track for optimized performance. Infront is a safe and comfortable guest cockpit with two removable cockpit tables. Two additional coach roof winches have been added for more flexibility. The foredeck is flush with adjustable Genoa tracks and saillocker as well as anchor locker in the forecastle. For best downwind performance a fix bow sprit has been installed.

LURIGNA is fitted with a Hall Spars 3-spreader Carbon Fibre Mast and V-Boom with Rod rigging (serviced 2026). The fore stay is electric furling and jib haljard can be tensioned with hydraulic cylinder.

The inner fore stay is a removable furling stay and will be tensioned by a hydraulic cylinder under deck.

The Hydraulic System powers:

- Jib Car travelers

☐ Inner forestay tensioner

☐ Main Outhaul

☐ Boom Vang

☐ Backstay cylinders

☐ Cylinder to tension the jib halyard

Below Deck LURIGNA offers 4 cabins with 7 berth and 3 heads with all comfort like Air Conditioning, Water Maker, Generator, PLC, Dishwasher, etc.

Powersupply through 6x Mastervolt Li-ion 24/5000 service batteries with a total power of approx. 1080 Ah.

Complete Sail Wardrobe sail inventory.
