Preis	690.000 € versteuert

BALTIC 60 “SUD” Carbon judel/vrolijk Performance Cruiser-Racer Extensive Refit 2023/2024

Commissioned as a true dual-purpose Baltic—fast and competitive on the Mediterranean race circuit, yet comfortable and capable for serious cruising—BALTIC 60 “SUD” is a refined carbon yacht from judel/vrolijk & co, combining Baltic build quality with a purposeful, modern hull concept (narrower lines, plumb ends for maximum effective waterline). Delivered in 2005 and comprehensively refitted/updated in 2023/2024, she is presented ready for her new owner.

If you are seeking a high-end carbon 60-footer that genuinely bridges performance sailing and comfortable cruising, “SUD” stands out: proven judel/vrolijk & co design, Baltic build pedigree, and an extensive 2023/2024 upgrade programme that makes her an exceptionally compelling, ready-to-go package.

Highlights

-

Carbon/epoxy construction (light, stiff, responsive) with Baltic engineering pedigree

-

Dimensions: LOA 18.00 m, LWL 15.14 m, beam 4.50 m, draft 3.30 m.

-

Major propulsion upgrade: New Yanmar 4JH110CR (110 hp) installed 2023 with SD15 saildrive

-

Electronics refresh: B&G Hercules Processor 5000 (2024) plus new B&G instrumentation

-

Premium deck hardware for short-handed performance: 6x electric Harken Racing winches (incl. Harken 99 and 65.3), Harken traveller/rails, Spinlock XTS stoppers, Navtec control units

-

Recent sail wardrobe (North Sails): 3Di Endurance mainsail plus black 3DL jib and gennaker with sock (and storm canvas)

-

Cruising autonomy: Spectra watermaker 60 L/h (serviced), Whisper 4.4 kW generator, generous tanks (fuel 460 L / water 550 L)

Layout and comfort

“SUD” offers a bright and practical interior suited to both regatta weeks and extended cruising: a spacious saloon/dinette, an L-shaped galley, and a generous forward owner’s cabin with en-suite and separate shower. Baltic’s hallmark system integration and build quality are evident throughout.

2023/2024 refit and upgrades (selected)

A substantial programme was completed to ensure reliability, presentation, and race-readiness, including:

-

New engine + saildrive installation, new engine foundations and engine room repaint.

-

Underwater service package: pressure-wash, VC Offshore antifouling, saildrive/prop treatment, anodes, keel sealing; rudder removed/serviced and reinstalled; seacock maintenance.

-

Teak deck refresh: cleaned/caulked/sanded; cockpit detailing and upgrades including new sprayhood and exterior covers (black Sunbrella), updated panels/controls, and restored steering wheels.

-

Rig/deck service: mast painted (2024), running rigging renewed, winches serviced, hydraulic components maintained, Navtec control units overhauled/tested.

-

Interior soft-goods updates: dinette/chart table upholstery renewed; cabin works and detailing completed.

-

Equipment & accessories: tender/outboard servicing and a wide range of renewed/refurbished deck and safety

accessories, lines and fenders.

Please don't hesitate to contact us for any further questions or to arrange a person inspection.
