Extensively Optimized Hanse 540e for Sale

This Hanse 540e (Hull No. 225) represents an exceptionally upgraded and carefully maintained first owner's yacht. Designed by Berret-Racoupeau, the 540e combines performance sailing characteristics with generous comfort and bluewater capability. This particular vessel has been continuously optimized and technically upgraded over the years, resulting in a highly self-sufficient and modern cruising yacht.

Extensive investments in energy systems, navigation electronics, comfort equipment, and structural components make her ideal for long-distance cruising or comfortable liveaboard use. With extensive technical upgrades, redundant energy systems, full climate control, modern electronics, and structural epoxy construction, she is a serious offshore-capable yacht offering exceptional comfort and autonomy.

A rare opportunity to acquire a fully optimized Hanse 540e in turnkey condition.

HIGHLIGHTS
