Baltic 56 RUNAWAY BUNNY for Sale

RUNAWAY BUNNY, ex LORETTA, is now with her 3rd owner. She is hull #003 of six 56s built in the early 2000s by the famed Baltic Yachts yard in Finland.

Baltic Yachts have been building exceptionally high-quality sailing yachts since 1974. Baltic continues to build sailing yachts today and up to 175'.

When this Baltic 56 was first built, the brief was for a fast, safe, offshore boat. RUNAWAY BUNNY has been a family sailing boat for the last 5 years. With her swept spreader rig, electric winches, German mainsheet system, powerful autopilot and double companionway she is easy to sail short-handed.

With her carbon construction, carbon mast, long waterline and powerful rig plan RUNAWAY BUNNY is an exception performance cruiser capable of click off 200 miles days even in moderate breezes. In the right conditions, sailing speeds on RUNAWAY BUNNY have been logged at over 20knots!

With the family now getting older, it is time to move onto other ventures. RUNAWAY BUNNY has been properly and fully maintained and is ready for her next adventure.

Full specification available on request. Please don't hesitate to contact us for further information or to arrange a personal inspection.
