Jeanneau Merry Fisher 895 Marlin from 2019 for sale in the Baltic Sea

This **Jeanneau Merry Fisher 895 Marlin Offshore**, built in 2019, is a very well-equipped and versatile motorboat for discerning owners looking to combine comfort, safety, range and sporty outboard performance.

Powered by **twin Yamaha F250 EFI outboards** with a total output of **500 hp**, this example is particularly strongly motorised. The **twin 300-litre Offshore fuel tanks** offer additional range and makes the boat ideal for longer day trips, weekend cruising, fishing trips and use in coastal waters.

The boat combines the advantages of a protected wheelhouse with a well-conceived walkaround layout, two separate cabins, a comfortable saloon, a spacious aft cockpit and extensive technical equipment. Bow thruster, Garmin navigation, autopilot, fishfinder/sonar, diesel heating, hot water, shore power, Flexi-Teak and numerous outdoor extras make this Merry Fisher 895 Marlin a highly attractive and ready-to-go package. The engine service will be carried out before handover. In addition, a high-quality custom-made infill cushion has been made for the saloon table, allowing the

saloon to be used comfortably as an additional berth.

Highlights

- Increased fuel capacity (2x 300 l)
- **2 x Yamaha F250 EFI**, total output 500 hp
- Only approx. **400 engine hours**
- **Engine service will be carried out before handover**
