2024 Axopar 45 Sun-Top with Air Conditioning in immaculate condition for sale

This Axopar 45 Sun-Top Mediterrana Edition is a rare one-owner boat, kept in immaculate condition by a permanent crew and used only for day trips. Powered by 3x Mercury Verado 300 V8s (~280h) with joystick, autopilot, and Skyhook, she delivers effortless handling and exciting performance. Fully optioned with Brabus Line, twin 16" Simrad displays, JL Audio Premium Sound, Air Conditioning, solar, and a 1.000 Ah lithium power bank with 6 kVA inverter, she offers both style and autonomy. Enhanced with custom upgrades by Boote Polch, including Ultra anchor with stainless chain, epoxy antifouling, Starglass enclosure, oversized trim tabs and many more custom details. This is one of the most complete and debugged Axopar 45 available on the market today!

Please don't hesitate to contact us for any further questions or to arrange a personal inspection.
