SY STAY HIGH is an outstanding example of the Solaris 50 – privately owned, never chartered and excellently maintained. She combines the renowned build quality and design finesse of Solaris Yachts with a powerful yet easily handled sail plan, delivering genuine performance cruising without compromise. STAY HIGH is fitted with a Hall Spars carbon mast and boom, a premium One Sails wardrobe and a comprehensive specification including generator, air-conditioning, watermaker, upgraded electronics and a tender garage. Her Teak interior, three-cabin layout and small crew cabin in the forepeak provide a refined and versatile living space. Presented in good condition and ready for immediate cruising, STAY HIGH is ideally suited for both extended offshore passages and comfortable coastal sailing.

We have personally inspected the yacht recently.

Full specification available on request.

Please don't hesitate to contact us for any further information or to arrange a personal inspection.
